

QUESTIONS OF DOCTRINE

Instructions: These questions are designed to examine your grasp on the broad scope of Christian doctrine, with an emphasis on the Gospel and the doctrinal distinctives of our church.

Provide clear, type-written responses to the following. (For readability, please format your responses as follows: double-spaced, 12-point font, Arial or Times New Roman font, one-inch margins.)

Your answers should be written in your own words, including Scripture references when appropriate. Your answer should demonstrate your grasp and understanding of the subject matter and terminology used. Be sure to state what you, personally believe.

We are not looking for seminary-level theology treatises for answers. Some questions can be answered with a simple “yes” or “no;” others with a sentence or paragraph(s). In some instances, we are not necessarily seeking to see if you have agreement with the present elders, but to test your grasp on the subject matter.

Please feel free to contact an elder for clarification.
